letters and dots came face to face

### Chapter 6 by VoxxyBRZ

Letters then rushed forward, trying to use it's bulk over the dots to force submission. After a moments struggle, the battle ceased, only to reveal the new dominating communicative form....BRAILLE.

### Chapter 7 by 20hupj

This way dots could be used to form letters, they could combine together and be in peace and harmony. Not only was this a new era, this new form of written communication even benefited people who where blind.

But like all changes, not everyone liked the outcome. Whilst i loved the new transition a and z hated this change.

And an uproar began...

### Chapter 8 by Gounaitory

A and Z knew they wouldn't overcome all of it alone and they asked for help their friends. A lot of big clans joined to create one powerful army against the dots. They were Cyrillic, Chinese, Japanese, Hindi, etc. alphabet clans which joined them. When suddenly an Elder from the Shumerian clan came to them.

"No need to start the war" said the Elder , " it is useless. because the more people will speak and use us the more we will be powerful"

"But no one uses Shumerian, nowadays" said one of the other clan members. And then the Shumerian Elder vanished and everyone understood that nothing can be dangerous for them until they are used.

And the dots army gave up doing the war and left the field.

From then people started to use [See more of Story Wars](#)
